WORK EXPERIENCE

- BEGA - North America** Mar 2016 - Current
Designer in Carpinteria, CA
Responsible for BEGA North American advertising and marketing design. Coordinated with BEGA Germany's Design Department to organize implementation. Tasks include but not limited to Mobile Application Design, Catalog Layout, Email Marketing and other campaigns.
- Moss Motors, Ltd.** Oct 2012 - Mar 2016
Lead Designer in Santa Barbara, CA
International marketing campaigns and branding projects. Responsible for comprehensive print marketing and advertising design for both their; British, Mazda Miata and conglomerate sub-merchandising companies. Worked simultaneously with two marketing teams to develop advertising and marketing campaigns.
- Warp 9, Inc.** Apr 2012 - Dec 2012
UI/UX Designer in Santa Barbara, CA
Lead Designer working with in-house developers and high-end clients to design websites, in particular eCommerce sites. Projects included mobile application design and general marketing/branding material. They ranged in diversity from a Luxury Property Investment Firm in Australia to a High End Luggage store in San Francisco.
- POP, LLC** Jun 2011 - Apr 2012
Designer in Santa Barbara, CA
Designer for the Design Agency POP. Projects included, interface design, branding and advertising design. Highlighted project was the complete Identity System for a NFL player. I was responsible for entire project creation to completion ranging in a multitude of tasks.
- University of the Pacific** May 2010 - Jun 2011
Designer in Stockton, CA
Designed advertisements, marketing campaigns, and created branding identities for the University of the Pacific and its affiliates. Worked several projects simultaneously along side multiple deadlines.
- Freelance** Jan 2009 - Current
Designer in Santa Barbara, CA
Designer and consultant for a multitude of projects and companies. Specifically Fastspring, a software company in Santa Barbara and Crowbar Studios a digital agency. Most recent projects are creating private label brands/products that I launch and sell within online markets such as Amazon.com and TouchofModern.com.
